book2net Spirit

... the first entry level, high resolution book scanner:

book2net is proud to introduce the first entry level, high resolution book scanner.

Due to its unique product concept, the book2net Spirit is more than a replacement technology for current copiers, as it also provides you with the following benefits:

- Unrivalled price performance ratio
- Green & clean technology for libraries
- Reduce waste created by copies
- Fast and simple for public use
- Reliability
- No installation costs
- Reduced maintenance
- Significant less energy consumption
- Coin option or smartcard interface

Visit us at booth 1002 to experience the book2net Spirit or contact us to learn more about our special offers!
